

The best ways to give through the World Mission Offering...

Dear Pastors and Church Leaders,

I want to take this opportunity to thank you for your heartfelt response to the dire plight of the people of Haiti. Your church's outpouring of prayer, volunteers and financial resources are a testament to God's love for the world.

One more way you can show God's love is by strong, solid support of the partners, projects and missionaries who serve in places like Haiti all around the world through the World Mission Offering (WMO). Your missionaries have been called to serve and preach the Gospel "in season and out of season..." whether the news media is attentive or not. And it is by your support that they are able to fulfill God's calling.

100% of your church's gift to the World Mission Offering goes to support the work of partners, projects and missionaries

As you prepare to receive the World Mission Offering in your church, please consider these options as excellent ways to address the urgent global needs:

1 WHERE MOST NEEDED: *Give to the WMO and International Ministries (IM) will immediately direct it to the partners, projects and missionaries of greatest need in over 70 countries around the world*

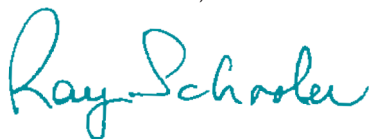

2 WMO DIRECTED: *Give a one-time gift to IM for a missionary(ies) you choose*

- ▶ Your intention to support a particular missionary is a great encouragement to them. The missionary will be informed of your intent.

At any time during the year give a **TARGETED GIFT** on a regular basis to IM for a missionary(ies) you choose, either monthly, quarterly or as part of your church budget. You may make a Targeted gift to IM and indicate the missionary you'd like to support. Pledging your support to a missionary over a period of months gives them a great sense of security. They will be informed of your intent.

We want to thank you in advance for your church's generous gifts to the World Mission Offering 2010. Please continue to pray for the people in most need and pray for the missionaries who bear God's love to them. Please call me if you have any questions at any time.

Yours in Christ,

Rev. Ray Schooler
Director of Church Relations
